

NV350 URVAN

# NISSAN NV350 URVAN

# INNOVATION THAT WORKS.

Since 1973 the Nissan Urvan has been hard at work, helping to transport people and cargo quickly, safely and efficiently around the continent. Now, with the introduction of the NV350 Urvan, that reputation for reliability and versatility is set to grow even stronger.

*"The NV350 URVAN makes good business sense whichever way you look at it."*

Exceptional fuel economy is provided by the more efficient petrol and diesel engines. You have a choice of either narrow body or wide body models with a more spacious interior for increased passenger comfort on the minibus. The powerful exterior styling and fresh design is complemented by a driver-friendly cockpit area.

Quite simply, it's innovation that works.

# DELIVERY WITH STYLE. WHATEVER YOU'RE CARRYING

Whether you choose the Narrow Body Minibus, Wide Body Minibus or Panel Van with standard body and roof, there's an option to suit your needs perfectly. Because versatility is another thing the Nissan NV350 Urvan delivers on, every single time.

**MINIBUS**  
Narrow Body • High Roof • 11 passengers

**MINIBUS**  
Wide & Long Body • High Roof • 14 passengers

**MINIBUS**  
Narrow & Long Body • Standard Roof • 11 passengers

**VAN**  
Standard Body • Standard Roof • 2 passengers

## **MORE COMFORT, MORE SPACE, MORE REASONS TO ENJOY THE JOURNEY**

1. Rear air conditioning to keep customers cool with individual air vents available on Wide Body models.
2. Lower centre tray holds two 500ml bottles and features a vent from the air conditioner to help keep drinks cool.
3. Spacious cockpit providing ample space for knee room and head room for both driver and passengers. Multiple storage areas in upper box, cup-holders, upper tray, driver pocket and glove box.
4. Interior lamps in the front, rear and luggage compartment illuminate the area for easy loading and unloading.
5. Sliding windows are designed for convenience.
6. Keyless entry with panic alarm on selected models.

FEATURES AND SPECIFICATIONS ARE SUBJECT TO CHANGE DEPENDING ON MARKET AND GRADE.  
PLEASE CONSULT YOUR LOCAL NISSAN DEALERSHIP FOR MORE INFORMATION.

# DESIGNED AROUND THE DRIVER FOR MAXIMUM EFFICIENCY

Easy to read instrumentation in a carefully designed layout, extra storage areas and added comfort mean the Nissan NV350 Urvan's most important occupant, the driver, is focused and in control, whatever the traffic.

- Multi-functional display provides the driver with real-time fuel efficiency information, indicating shift timing, as well as odometer and trip meter data.
- Auto door closure allows you to release the slide-door once it has closed halfway (on selected models).
- It's possible to tilt the steering column and slide the seat into the ideal position to avoid driver fatigue.

# EVEN MORE ROOM FOR SAFETY

The safety of both driver and passengers is of critical importance in the design of the Nissan NV350 Urvan. Features such as an Anti-lock Braking System, Brake Assist, collapsible impact zones and front airbags combine to make every journey as safe as it is comfortable.

Crumple Zone  
Occupant Zone

Zone Body construction enhances cabin safety by combining impact-absorbing "crumple zones" with a high-strength "occupant zone" to protect passengers.

SRS (Supplemental Restraint System) airbags standard for the driver (on all models) and front seat passenger (on selected models) help to reduce the risk of injury resulting from impact.

Anti-lock Braking System (ABS) helps prevent skidding during emergency braking. Brake Assist (BA) enhances full braking performance in emergency situations (on selected models).

The driver and front seat passenger seats are equipped with seatbelts featuring pretensioners and load limiters. In minibus models, each rear passenger seat features 3-point seatbelts.

# ALL THE SPACE YOU NEED

*"4 rope hooks are mounted on each side in all Nissan NV350 Urvan models to keep your goods secured."*

**1275mm**  
Rear Door Opening Height

**1350mm**

# AN ENGINE AS POWERFUL AS IT IS FUEL EFFICIENT

## YD25DDTi

2.5-litre DOHC Direct Injection 16 Valve

Max Power:

**95kW (129hp)** 3200rpm

Max Torque:

**356Nm (36.3kg-m)** 1400 - 2000rpm

The YD25DDTi turbo diesel engine with intercooler not only offers class-leading torque output for superior acceleration, it's also impressively fuel efficient and exceptionally environmentally friendly, with reduced CO<sub>2</sub> emissions and low noise and vibration.

*"Versatile and responsive, this 5-speed transmission hosts an impressive array of advanced computerised technologies that maximise efficiency while ensuring a smooth, dynamic ride at all times."*

### NISSAN'S COMMITMENT TO THE ENVIRONMENT

NISSAN'S environmental philosophy embraces people, vehicles and nature. In the pursuit of a sustainable mobile society, the NISSAN GREEN PROGRAM aims to reduce the environmental impact of NISSAN vehicles at every stage of the vehicles life cycle, while corporate activities address environmental challenges.

## QR25DE

2.5-litre DOHC Gasoline

Max Power:

**108kW (147hp)** 3200rpm

Max Torque:

**213Nm (21.7kg-m)** 1400 - 2000rpm

Nissan's high-performance, in-line 4-cylinder QR25DE gasoline engine delivers powerful acceleration, even while carrying heavy loads. Quieter than ever, this engine also boasts class-leading fuel efficiency with exceptional environmentally friendly performance.

Whether you choose the direct injection turbo diesel engine or the 4-cylinder gasoline engine, the Nissan NV350 Urvan's advanced power plants guarantee a smooth, powerful performance that deliver on economy wherever your business takes you.

**NISSAN'S commitment to quality:** to provide all customers with a consistently high level of quality, NISSAN applies the standard worldwide, to ensure that all NISSAN owners enjoy peace of mind for the lives of their vehicles. The approach is based on quality from the customer's perspective on three key elements: 1. The expectation of a smooth driving experience with complete peace of mind. 2. The intangible appeal of a vehicle, its power to captivate and excite, with features that capture attention and imagination. 3. The level of attentiveness and service during the sales process, and long after the sale is concluded.
